**Kenji SHIMIZU sensei 8. DAN**

Degree aikido master, was one of aikido founder Morihei Ueshiba's last and bestloved disciples. Shimizu Sensei currently operates the Tendokan School of aikido in Tokyo and makes yearly instructional trips to Europe. Combining a strong background in judo with his expertise in aikido, his smooth, powerful techniques embody the ideal of efficiency and control. Shimizu Sensei offers clear insight into his training methods which will surely prove invaluable to both beginner and advanced practitioners of aikido and to martial arts enthusiasts in general.

**For the purpose of getting better experience and making international contacts, welcome!**
